B. Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors; nurse practitioners; psychologists; hearing, dental, or vision specialists; nurses; pharmacists; therapists; and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term "providers" also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **primary care provider** (PCP) is a physician, physician assistant, or nurse practitioner who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.

- You may need a **referral** to see a specialist or someone who is not your PCP. A **referral** means that your primary care provider (PCP) must give you approval before you can see someone who is not your PCP. If you don't get a referral, AmeriHealth Caritas VIP Care Plus may not cover the service.
  - Referrals from your network PCP are not needed for:
    - Emergency care;
    - Urgently needed care;
    - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area;
    - Services from a women's health specialist;
    - Physician specialist services, including chiropractic and podiatrist services;
    - Medicare-covered preventive services;
    - Kidney disease education services;
    - Diabetes self-management training.
  - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- Your provider may need **prior authorization (PA)** or an approval from AmeriHealth Caritas VIP Care Plus before you get certain services. Covered services that need PA are marked in the Benefits Chart in Chapter 4. Some drugs are covered only if you get PA from us. Covered drugs that need PA are marked in the *List of Covered Drugs*.
- You also have access to a **Care Coordinator** and an Integrated **Care Team** that you choose.
  - A **Care Coordinator** helps you manage your medical providers and services. A Care Coordinator is a licensed nurse or social worker who is responsible for assisting you in getting the services and care you need through a care plan that is developed with you to identify your needs after an assessment is completed. The Care Coordinator recognizes that you lead how care and services will be provided and works with health care providers to help ensure they are provided.
  - Your Integrated **Care Team** includes you and your chosen allies or legal representative, primary care provider, Care Coordinator, LTSS Coordinator or PIHP Support Coordinator (as applicable), and others as needed. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are

shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following time frames:

- Immediately for urgently needed services or an emergency;
- Within seven days for services that are not an emergency or urgently needed, but you require medical attention; **or**
- Within 30 days for routine and preventive care.

B3. Primary care provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a primary Care Provider. You may be able to have a specialist act as your PCP. If you would like to have a specialist act as your PCP, please call Member Services. Your specialist would need to sign an agreement with us in order to act as your PCP.

To choose a PCP, refer to the list of providers in section C and choose a provider that:

- You use now, **or**
- Who has been recommended by someone you trust, **or**
- Whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Member Services toll-free at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. Or, visit **www.amerihealthcaritasvipcareplus.com**.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B4. Long-term services and supports (LTSS)

As an AmeriHealth Caritas VIP Care Plus member, you may be able to get long-term services and supports (LTSS), such as home health care services, personal care services, nursing home care, and home and community-based services (adult day program, respite, expanded community living supports, preventive nursing services, private duty nursing, and other services). LTSS help people who need assistance to do

everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

You should discuss long-term services and supports with your **Care Coordinator** to determine which services you qualify for and how to access them.

B5. How to identify providers in AmeriHealth Caritas VIP Care Plus' network

You may need a referral for someone who is not a primary care provider (PCP). There is more information about referrals in Section B1 of this Directory.

You must get all of your covered services from providers within our network. If you use providers who are not in AmeriHealth Caritas VIP Care Plus' network (without PA from us), you will have to pay the bill.

A **PA** is an approval from AmeriHealth Caritas VIP Care Plus before you can get a specific service or drug or use an out-of-network provider. AmeriHealth Caritas VIP Care Plus may not cover the service or drug if you don't get approval

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also use providers outside the plan for other non-emergency services if AmeriHealth Caritas VIP Care Plus gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. Please call your Care Coordinator or Member Services toll-free at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free. For some providers, you may need a referral from your PCP.
- AmeriHealth Caritas VIP Care Plus works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, AmeriHealth Caritas VIP Care Plus can help you. Talk to your Care Coordinator for assistance.

B6. How to find AmeriHealth Caritas VIP Care Plus providers in your area

Look in this directory to find a provider near where you live. This directory includes providers of both Medicare and Michigan Medicaid services. If you know the name of the provider, the easiest way to look them up is by using the alphabetical index in the back of this directory. This index includes all physicians, PCPs, specialists, hospitals, LTSS providers, and skilled nursing facilities. The index begins in section F and will show the page number in the main section of the directory where you can find the provider. The index is separated by provider and pharmacy.

If you do not have the name of the provider, look in the main part of the directory. AmeriHealth Caritas VIP Care Plus' network providers are first listed in this directory by type of provider (primary care, dental, vision, specialist) and are further divided, where needed, by state, county, city, and ZIP code. To locate a network provider nearest to your home, go to the provider section, and then find your state, county, city, and ZIP code. Or you can visit our website at **www.amerihealthcaritasvipcareplus.com**, or call your Care Coordinator or Member Services at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The provider listing begins in section C.

If you have questions about AmeriHealth Caritas VIP Care Plus or if you would like help choosing a PCP, please call your Care Coordinator or Member Services at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week.

Providers are listed in alphabetical order by last name. Providers are also listed in alphabetical order by last name in the Index. In addition to contact information, provider listings also include specialties and skills, for example, such as languages spoken or completion of cultural competence training.

D. List of network pharmacies

This part of the directory provides a list of pharmacies in AmeriHealth Caritas VIP Care Plus' network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside Wayne and Macomb Counties in which you live. You may also fill your prescriptions at these pharmacies. Please contact AmeriHealth Caritas VIP Care Plus at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week, for additional information.

AmeriHealth Caritas VIP Care Plus members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the AmeriHealth Caritas VIP Care Plus *Member Handbook* for more information.

This directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this directory.

For up-to-date information about AmeriHealth Caritas VIP Care Plus network pharmacies in your area, please visit our website at **www.amerihealthcaritasvipcareplus.com** or call Member Services at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and AmeriHealth Caritas VIP Care Plus' *List of Covered Drugs*.

For information about where to find the list of covered drugs please visit our website at **www.amerihealthcaritasvipcareplus.com** or call Member Services at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. The call is free.

D1. How to identify pharmacies in AmeriHealth Caritas VIP Care Plus network

Along with retail and chain pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You are not required to continue going to the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-order programs.** We offer a mail-order program that allows you to get a 100-day supply of your prescription drugs sent directly to your home. A 100-day supply has the same copay as a one-month supply.
- **60- or 90-day retail pharmacy programs.** Some retail pharmacies may also offer up to a 100-day supply of covered prescription drugs. **A 100-day supply has the same copay as a one-month supply.**

E. AmeriHealth Caritas VIP Care Plus' network pharmacies

AmeriHealth Caritas VIP Care Plus' network pharmacies are first listed in this directory by type of pharmacy (retail, chain, mail order, long-term care, home infusion) and are further divided, where needed, by state, county, city, and ZIP code. To locate a retail network pharmacy nearest to your home, go to the retail pharmacy section, and then find your state, county, city, and ZIP code. If you have questions or require assistance with home infusion pharmacy please contact your Care Coordinator or Member Services at **1-888-667-0318 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week. Or you can visit our website at **www.amerihealthcaritasvipcareplus.com**.

You can go to any of the pharmacies in our network.

E2. Mail-order pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called AllianceRx Walgreens Prime. Pharmacies are to get your consent before shipping or delivering any prescriptions that you have not personally submitted. If a prescriber sends a prescription to a pharmacy for you, the pharmacy will contact you for your approval first.

Typically, you should expect to get your prescription drugs within 10 business days from the time that the mail-order pharmacy gets the order. If you do not get your prescription drug(s) within this time, please contact us at **1-888-667-0318 (TTY 711**), 8 a.m. – 8 p.m., seven days a week. To learn more about mail-order pharmacies, see Chapter 5 of the *Member Handbook*.
