E. Pharmacies

Section E of the Directory provides a list of pharmacies in First Choice VIP Care Plus' network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

First Choice VIP Care Plus members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the First Choice VIP Care Plus Member Handbook for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about First Choice VIP Care Plus network pharmacies in your area, please visit our website, or call Member Services using the information at the bottom of the page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the **Member Handbook** and First Choice VIP Care Plus' **List of Covered Drugs**. The List of Covered Drugs can be found on our website at **https://firstchoicevipcareplus.com/member/english/2025/benefits-and-programs/**.

E1. How to identify pharmacies in our network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You are not required to continue using the same pharmacy to fill your prescriptions.

E2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 100-day supply of your prescription drugs sent directly to your home. A 100-day supply has the same copay as a one-month supply.
- **60-Day and 100-Day Retail Pharmacy Programs**. Some retail pharmacies may also offer up to a 100-day supply of covered prescription drugs. **A 60-day or 100-day supply has the same copay as a one-month supply.**

F. First Choice VIP Care Plus' Network Pharmacies

Look in this directory to find a pharmacy near where you live. If you know the name of the pharmacy, the easiest way to look them up is using the alphabetical index in the back of the Directory. This index includes all retail, mail-order, home infusion and long-term care (LTC) pharmacies. The index begins on page 2302 and will indicate the page number in the main section of the Directory where you can find the pharmacy.

If you do not have the name of a pharmacy, look in the main part of the Directory. In this section, pharmacies are first listed by type (retail, mail-order, home-infusion, etc.) and are further divided by county and then city. To locate pharmacies nearest to your home, go to the section of the type of pharmacy you are looking for and then find your county and city. The pharmacy listing begins on page 1928.

If you have questions about First Choice VIP Care Plus, or if you would like help in choosing a pharmacy, please call Member Services at the number, at the bottom of the page, or visit <**www.firstchoicevipcareplus.com/member/english/2025/self-service-tools/find-a-pharmacy.aspx**>.

You can use any of the pharmacies in our network.

F2. Mail-Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Alliance Rx Walgreens Prime home delivery program. Pharmacies must get your consent before shipping or delivering any prescriptions that you have not personally submitted. If a prescriber sends a prescription to a pharmacy for you, the pharmacy will contact you for your approval first.

Typically, you should expect to get your prescription drugs within 10 business days from the time that the mail-order pharmacy gets the order. If you do not get your prescription drug(s) within this time, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at the number at the bottom of the page. To learn more about mail order pharmacies, see Chapter 5, page 5 of the **Member Handbook**.

Our network pharmacies service all counties in the plan's service area. To learn more about drug coverage in special cases, see Chapter 5 of the **Member Handbook**.

If you have questions about First Choice VIP Care Plus or require assistance with a long-term care pharmacy, please call our Pharmacy Help Desk at **1-855-327-0511 (TTY 711)**, 24 hours a day, seven days per week, or, visit <**www.firstchoicevipcareplus.com/member/english/2025/self-service-tools/find-a-pharmacy.aspx**>.
